9 **EQUIPMENT, CONSUMABLES AND INTELLECTUAL PROPERTY RIGHTS**

9.1 The right of ownership to equipment, consumables and intellectual property rights procured or developed by use of the Grant shall vest in the Grant Recipient or its cooperating partner, unless otherwise stated in the Application. All matters associated with such equipment, consumables and intellectual property rights are the exclusive responsibility of the Grant Recipient. However,

This is usually done in conjunction with closure of the accounting records.
significant use of such equipment, consumables and intellectual property rights for purposes outside the Project shall be subject to the MCE’s prior approval, as outlined in Article 12 of the General Conditions.

9.2 MCE shall have a non-exclusive and royalty-free license to use all intellectual property rights procured or developed by the use of the Grant. MCE may assign this right to any individual or organisation at its own discretion.

9.3 Transfer of ownership of such equipment, consumables or intellectual property rights during the Support Period shall be made at market terms. Ownership may not be transferred to an employee of the Grant Recipient or its cooperating partner, or to anyone related or connected to an employee, if such relation could lead to a conflict of interest as described in article 16 of the General Conditions.

9.4 Before a transfer is decided, the Grant Recipient shall assess whether it may have an impact on the Project and, where appropriate, consult with MCE. Any income from a transfer shall accrue to the Project, and shall be reported in the financial statement of the Project.

9.5 The Grant Recipient shall prepare a record of transfer of ownership for any equipment, consumables and intellectual property rights. The record shall comprise information about the object of transfer, the original purchase price paid by the Grant Recipient, price offers received, the final sales price and the name of the purchaser. The record shall be submitted to MCE along with the first progress report due after the sale.

9.6 If the activities of the Project do not continue after the end of the Support Period or after termination of the Agreement, the Grant Recipient shall inform MCE about the remaining equipment and goods that have been purchased by use of the Grant. The MCE may require that such assets be sold. Such sale shall be completed in accordance with the procedures described above. Income from the sale shall be repaid to MCE.

The agreement may be formalised in the Specific Conditions or in a separate agreement document.

10.3 MCE may in such an agreement require i.a. that the real property shall be sold after the end of the Support Period and that the proceeds from the sale shall be repaid to MCE. MCE may also reserve the right to establish security interests in any real property purchased by use of the Grant.

11 TRANSFER OF THE GRANT TO A COOPERATING PARTNER

11.1 Transfer of all or part of the Grant including assets to a cooperating partner shall be documented through a written agreement. The agreement shall specify that the cooperating partner is required to comply with the provisions of this Agreement and to cooperate with the Grant Recipient to ensure that the Grant Recipient is able to fulfil its obligations hereunder.
11.2 The agreement between the Grant Recipient and the cooperating partner shall have provisions related to i.a. reporting, audit, procurement and measures to prevent financial irregularities. Furthermore, the agreement shall explicitly state that:

a) both the Grant Recipient, MCE and the Norwegian Auditor General shall have the same access to undertake the control measures related to the cooperating partner’s use of the Grant as described in article 6 of the General Conditions,

b) the Grant Recipient shall be entitled to claim repayment of the Grant from the cooperating partner in the same instances and to the same extent that MCE is entitled to claim repayment from the Grant Recipient, and the cooperating partner shall accept that MCE has the right to claim repayment directly from the cooperating partner to the same extent as the Grant Recipient,

c) the cooperating partner shall accept the choice of law and settlement of disputes provisions in article 24 of the General Conditions in relation to any disputes arising between the cooperating partner and MCE.

11.3 The Grant Recipient shall assure itself that the cooperating partner has the necessary competence and internal procedures to meet the requirements of the Agreement and shall follow-up the cooperating partner’s compliance with the Agreement throughout the Support Period.

11.4 The Grant may not be transferred to a cooperating partner who has previously been charged or sentenced for any criminal activity unless explicitly approved by MCE.

11.5 The Grant Recipient shall remain fully responsible towards MCE for any part of the Grant including assets that has been transferred to a cooperating partner.

12 CHANGES TO THE PROJECT OR THE GRANT RECIPIENT

12.1 Any significant deviations from or changes to the Application or approved implementation plans or budgets are subject to MCE’s prior, written approval. The same applies to significant changes to, or circumstances materially affecting, the Grant Recipient’s organisation.

12.3 MCE may suspend disbursements of the Grant until such changes have been approved.

13 EXTENSION OF THE SUPPORT PERIOD

13.1 The Support Period of the Project is set out in the Specific Conditions. The Grant Recipient must, without delay, inform MCE of any circumstances likely to hamper or delay the implementation of the Project.

13.2 The Grant Recipient may request an extension of the Support Period if this is necessary to complete all planned activities. The request must state the reasons for the delay and supporting documentation must be enclosed. MCE shall approve or decline the request in writing.

14.3 The Grant Recipient shall make other project documentation, including the Application and all agreed reports, available to anyone upon request. Requests for disclosure may be denied if such disclosure is prohibited by confidentiality obligations and/or if it may be detrimental to the Grant Recipient’s legitimate interests.

15 FINANCIAL IRREGULARITIES

15.1 The Grant Recipient is required to practice zero tolerance against corruption and other financial irregularities within and related to the Project. The zero tolerance policy applies to all staff members, consultants and other non-staff personnel and to cooperating partners and beneficiaries of the Grant.

15.5 The matter will be handled by MCE in accordance with MCE’s guidelines for handling suspicion of financial irregularities. The Grant Recipient shall cooperate fully with MCE’s investigation and follow-up. If requested by MCE, the Grant Recipient shall initiate prosecution and/or apply other sanctions against persons or entities suspected of financial irregularities.
15.6 MCE may claim repayment of all or parts of the Grant in accordance with article 17 of the General Conditions if it finds that any financial irregularities have taken place in or related to the Project. The repayment claim may also include any interest, investment income or any other financial gain obtained as a result of the financial irregularity.

16 CONFLICT OF INTEREST

16.1 The Grant Recipient shall take all necessary precautions to avoid any conflicts of interest in all matters related to the Project.

16.2 Conflict of interest refers to any situation where the impartial and objective exercise of the functions of anyone acting on behalf of the Grant Recipient is, or may be, compromised for reasons involving family, personal life, political or national affinity, economic interest or any other connection or shared interest with another person.

16.3 If a conflict of interest occurs, the Grant Recipient shall, without delay, take all necessary measures to resolve the conflict, e.g. by replacing the person in question or by obtaining independent verification of the terms of the proposed decision or transaction.

16.4 If the conflict of interest cannot be resolved and/or if it relates to a decision or transaction of special significance to the Project, the decision or transaction may not be concluded without the prior, written approval of MCE.

17 BREACH OF THE AGREEMENT

17.1 If the Grant Recipient fails to fulfil its obligations under this Agreement and/or if there is suspicion of financial irregularities, MCE may suspend disbursement of all or part of the Grant.

17.2 In the event of material breach of the Agreement, MCE may terminate the Agreement with immediate effect, and/or claim repayment of all or parts of the Grant.

17.3 Material breach of the Agreement shall include, without limitation, the following situations:

17.5 MCE may also suspend disbursements or terminate the Agreement with immediate effect if a material breach of another agreement between MCE and the Grant Recipient has been established.

18 TERMINATION OF THE AGREEMENT

18.1 Each of the Parties may terminate the Agreement upon a written notice.

18.2 The Support Period shall end three months after the date of the notice of termination. During these three months, the Grant Recipient may only use the Grant to cover commitments that have been established before the date of the notice of termination.

The final report shall meet the requirements set out in article 4 of the General Conditions and shall also include a financial report and audit report covering the period from the previous financial report until the end of the Support Period.

18.5 The Agreement will be considered terminated when the final report has been approved by MCE and any remaining funds have been repaid.

19 WAIVER AND IMMUNITIES

19.1 Nothing in the Agreement or any document related to the Agreement shall imply a waiver, express or implied, by MCE, the Government of Norway or any of its officials of any privileges or immunity enjoyed by them or their acceptance of the jurisdiction of the courts of any country over disputes arising thereof. This article 19 will not prevent arbitration or court proceedings in the legal venue of the Grant Recipient pursuant to article 24 of the General Conditions.

20 LIABILITY

20.1 MCE shall not under any circumstances or for any reason be held liable for damage, injury or loss of income sustained by the Grant Recipient or its agencies, staff or property as a direct or indirect consequence of the Project or services provided thereunder. MCE will not accept any claim for compensation or increases in payment in connection with such damage, injury or loss of income.

20.2 The Grant Recipient shall assume sole liability towards third parties, including liability for damage, injury or loss of income of any kind sustained by them as a direct or indirect consequence of the Project. The Grant Recipient shall indemnify MCE against any claim or action from the Grant Recipient’s staff or third parties in relation to the Project.

21 ASSIGNMENT

21.1 The Agreement and/or the Grant may not be assigned to a third party without the prior written consent of MCE. This shall not, however, prevent transfer of parts of the Grant to a cooperating partner in accordance with article 11 of the General Conditions.
22 RECOGNITION AND PUBLICATION

22.1 The Grant Recipient shall acknowledge MCE’s support to the Project in all publications and other materials issued in relation to the Project. MCE’s logotype will be provided by MCE upon request. All use of MCE’s logotype must be approved by MCE.

23 ENTRY INTO FORCE, DURATION AND AMENDMENT

23.1 The Agreement shall enter into force at the date of the last signature and shall remain in force until all obligations arising from it have been fulfilled, or until it is terminated in accordance with the provisions of the General Conditions. Whether the obligations of the Agreement shall be considered fulfilled, will be determined through consultations between the Parties and confirmed by MCE in a completion letter.

23.2 The Agreement may be amended. Any such amendment must be agreed upon in writing between the Parties and shall become an integral part of the Agreement.

23.3 Termination or expiry of the Agreement shall not release the Parties from any liability arising from any act or omission that has taken place prior to such termination or expiry.

24 CHOICE OF LAW AND SETTLEMENT OF DISPUTES

24.1 The Agreement shall be governed and construed in accordance with Norwegian law.

24.2 If any dispute arises relating to the implementation or interpretation of the Agreement, the Parties shall seek to reach an amicable solution.

24.3 Any dispute arising out of or in connection with the Agreement that cannot be solved amicably, shall exclusively be settled before the Norwegian courts of law with Oslo District Court as legal venue.

24.4 The Grant Recipient accepts that MCE can, at its own sole discretion and as an alternative to the legal venue mentioned above, choose to settle the dispute by
   a) the courts in the legal venue of the Grant Recipient, or
   b) arbitration in accordance with the Arbitration Rules of the Arbitration Institute of the Stockholm Chamber of Commerce. The arbitral tribunal shall be composed of three arbitrators. If the disputed amount is below an amount corresponding to NOK 10 000 000 the arbitral tribunal shall, however, be composed of a sole arbitrator. The seat of arbitration shall be Stockholm, Sweden, and the language to be used in the arbitral proceedings shall be English. The Parties agree that neither the arbitral proceedings nor the award shall be subject to any confidentiality.

24.5 The Parties agree that no other courts of law, than as set out in this article 24, shall have jurisdiction over disputes arising out of or in connection with this Agreement.
PART III: PROCUREMENT
IN THE CONTEXT OF PROJECTS FINANCED BY
THE NORWEGIAN MINISTRY OF CLIMATE AND
ENVIRONMENT

1 INTRODUCTION

1.1 This Part III sets out procurement rules and principles which shall be applied by the Grant Recipient when procuring goods, services or works to Projects financed by the Ministry of Climate and Environment (MCE). Stricter rules may supplement the compulsory minimum rules set forth in this Part III.

1.2 The MCE may carry out ex post checks on the Grant Recipient’s compliance with the rules set forth in this Part III.

1.3 Failure to comply with the rules set forth in this Part III shall render the Project expenditure ineligible for MCE funding and may lead to withholding funds or claim for repayment in accordance with article 17 of the General Conditions (Part II) of this Agreement.

1.4 Contracts shall not be split artificially to circumvent the procurement thresholds. All monetary amounts referred to in this Part III are amounts excluding value-added tax (VAT).

1.5 The procurement provisions shall also apply to any procurements to be carried out by the Grant Recipient’s cooperation partners or others. The Grant Recipient shall be responsible for compliance as per article 11 of the General Conditions (Part II) of this Agreement regardless of whether the procurement is carried out by the Grant Recipient itself or its cooperation partners or others.

1.6 Sections 1 to 4 set out rules, which shall apply to all contracts. Sections 5 to 6 contain specific rules for service, supply and works contracts. Section 7 lists the situations where a negotiated procedure without prior publication is permitted.

2 BASIC PRINCIPLES

2.1 If a Project requires procurement by the Grant Recipient, the contract must be awarded following a tender procedure to the most economically advantageous tender (i.e. to the tenderer obtaining the best score based on price and quality), or, as appropriate, to the tenderer offering the lowest price. In doing so, the Grant Recipient shall avoid any conflict of interests and respect the following basic principles:
a) **Competition:** The procedures applied and the award of contracts shall be based on fair competition.

b) **Equal treatment and non-discrimination:** Participation in tender procedures shall be open on equal terms to all natural and legal persons. During the entire procurement and the award of contracts, the Grant Recipient shall not discriminate against candidates/tenderers or groups of candidates/tenderers.

c) **Transparency and ex-ante publicity:** As a general rule, tender procedures shall be based on prior publication. Where the Grant Recipient does not launch an open tender procedure, it shall justify the choice of tenderers that are invited to submit an offer.

d) **Objective criteria:** The Grant Recipient shall evaluate the offers received against objective criteria, which enable the Grant Recipient to measure the quality of the offers and shall take into account the price (the offer with the lowest price shall be awarded the highest score for the price criterion). The criteria shall be set out beforehand and shall be relevant to the contract in question.

e) **Notoriety:** The Grant Recipient shall keep sufficient and appropriate records and documentation with regard to the procedure, its evaluation and award.

### 3 ELIGIBLE TENDERERS

3.1 Tenderers must provide information on their legal form and ownership structure.

3.2 Tenderers shall be excluded from participation in a procurement procedure if:

a) they are bankrupt or being wound up, are having their affairs administered by the courts, have entered into an arrangement with creditors, have suspended business activities, are subject of proceedings concerning those matters, or are in any analogous situation arising from a similar procedure provided for in national legislation or regulations. However, tenderers in this situation may be eligible to participate insofar as the Grant Recipient is able to purchase supplies on particularly advantageous terms from either a supplier which is definitively winding up its business activities, or the receivers or liquidators of a bankruptcy, through an arrangement with creditors, or through a similar procedure under national law;

b) they or persons having powers of representation, decision-making or control over them have been convicted of an offence concerning their professional conduct by a final judgment;

c) they have been guilty of grave professional misconduct; proven by any means which the Grant Recipient can justify;

d) they have not fulfilled obligations relating to the payment of social security contributions or taxes in accordance with the legal provisions of the country in which they are established, or with those of the country of the Grant Recipient or those of the country where the contract is to be performed;
e) they or persons having powers of representation, decision-making or control over them have been convicted for fraud, corruption, involvement in a criminal organisation or money laundering by a final judgment;

f) they make use of child labour or forced labour and/or practise discrimination, and/or do not respect the right to freedom of association and the right to organise and engage in collective bargaining pursuant to the core conventions of the International Labour Organization (ILO).

3.3 Tenderers shall confirm in writing that they are not in any of the situations listed above. Even if such confirmation is given by a tenderer, the Grant Recipient shall investigate any of the situations listed above if it has reasonable grounds to doubt the contents of such confirmation.

3.4 Contracts shall not be awarded to tenderers which, during the procurement procedure:

a) are subject to a conflict of interests;

b) are guilty of misrepresentation in supplying the information required by the Grant Recipient as a condition of participation in the tender procedure, or fail to supply this information.

4 GENERAL PROCUREMENT RULES

4.1 The tender documents shall be drafted in accordance with best international practice. The Grant Recipient may voluntarily use the models published in the Practical Guide on the EuropeAid (EU) website.

4.2 The Grant Recipient shall take into account universal design and the potential environmental impact of any planned procurements.

4.3 All invitations to submit tenders shall state that offers will be rejected if any illegal or corrupt practises have taken place in connection with the award. All contracts concluded under the Project shall state that the Grant Recipient may terminate the contract if it finds that illegal or corrupt practises have taken place in connection with the contract award or execution.

4.4 The time-limits for receipt of tenders and requests to participate must be sufficient to allow interested parties a reasonable and appropriate period to prepare and submit their tenders.

4.5 An evaluation committee must be set up to evaluate applications and/or tenders of a value of NOK 500 000 or more on the basis of the exclusion, selection and award criteria. This committee must have an odd number of members, at least three, with all the technical and administrative capacities necessary to give an informed opinion on the tenders.
4.6 For contracts with a value exceeding NOK 100 000, the Grant Recipient shall compile a written record with documentation of all assessments and decisions during all steps of the procurement process from the planning stage until the signing of the contract. Upon request by the MCE, the Grant Recipient shall deliver its written record to the MCE and grant the MCE access to all relevant information and documentation related to the procurement procedure and practices applied.

5 AWARD OF CONTRACTS

5.1 Contracts with a value of less than NOK 500 000 may be awarded by using any procurement procedure established by the Grant Recipient, while respecting the rules and principles laid down in Sections 1 to 4 of this Part III.

5.2 Contracts with a value exceeding NOK 500 000 shall be awarded by means of one of the following procurement procedures:

a) **Open tender procedure:** In open procedures, any interested tenderer may submit a tender in response to a call for competition. The tender shall be accompanied by the information for qualitative selection as requested by the Grant Recipient.

b) **Restricted procedure:** In restricted procedures, any tenderer may submit a request to participate in response to a call for competition by providing the information for qualitative selection as requested by the Grant Recipient. Only those tenderers invited to do so by the Grant Recipient following its assessment of the information provided may submit a tender. The Grant Recipient may limit the number of suitable candidates to be invited to participate in the procedure.

c) **Competitive procedure with negotiation:** In competitive procedures with negotiation, any tenderer may submit a request to participate or a tender in response to a call for competition by providing the information for qualitative selection as requested by the Grant Recipient. Tenderers may submit an initial tender, which shall be the basis for subsequent negotiations. The minimum requirements and the award criteria shall not be subject to negotiations.

5.3 Where the Grant Recipient does not launch an open tender procedure, it shall justify and document in writing the choice of tenderers that are invited to submit an offer.

5.4 Deviations from the procedures listed in Section 5.2 are limited to the situations listed in Section 7 of this Part III.

6 PUBLICATION OF PROCUREMENT NOTICE

6.1 The following shall apply with respect to publication of the procurement notice:

---

1Definitions of different types of contracts and procedures can be found in Directive 2014/24/EU.
a) Service and supply contracts from NOK 500 000 to less than NOK 2 500 000 and works contracts from NOK 500 000 to less than NOK 40 000 000

The prior procurement notice shall be published in all appropriate media, in particular on the Grant Recipient's website, in the international press and the national press of the country in which the Project will be carried out, and in any other relevant specialist periodicals.

7 USE OF NEGOTIATED PROCEDURE WITHOUT PRIOR PUBLICATION

7.1 The Grant Recipient may use a negotiated procedure without prior publication in the following cases:

a) if any of the circumstances set out in Article 32 of Directive 2014/24/EU are present;

b) for purposes of humanitarian aid and civil protection operations or for crisis management aid in a crisis that has been formally recognised by and for the time period declared by the MCE;

c) where the services are entrusted to public-sector or non-profit bodies and relate to activities of an institutional nature or are designed to provide assistance to people in the social field;

d) for contracts declared to be secret, or whose performance must be accompanied by special security measures, or when the protection of the essential interests of the MCE so requires.
